This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
We continued to offer CPD in a wide range of sports – this year we concentrated on dance	Staff become more confident and enthusiastic when delivering PE whilst also up leveling their own personal skillset.	Each year I will liaise with staff to offer suitable CPD
Provide opportunities for all children to experience a wide range of sports.	Children are able to take part in ice-skating, BMX and golf etc.	Ensure children have access to a range of sports.
Investment in an orienteering scheme	This also links with our school 'alfresco' tread and can be used cross curricular with Geography and RP.	The feedback from teachers and children has been positive and we will continue to develop this over the next few years.
Investment in resources that cater for all children with a focus on SEND	Ensure all children have the opportunity to be active and engage in Physical Activity for 60 minutes each day	The children continue to enjoy the use of additional resources.

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Increased participation of Sporting Events	These events included: Basketball, multisport, cross-county, indoor athletics, meet and greet with Leeds Rhinos netball (also watching a live netball match) teambuilding, gymnastics, skateboarding, football, Ice-skating, Golf at Moor Allerton, Brownlee triathlon, Junior Warrior, we hosted Intra school football competitions throughout the year, netball competitions, Cricket Year 4 and Year 6 competitions, Cricket in the classroom at Headingley Stadium (Year 6), Yorkshire cricket foundation event at Headingley (Year 4) Olympic week at school, Dance and Sports Hall Athletics, tennis, orienteering, Skipping workshops, EAL and SEND events and Bkeailirt for Years 1,2,4 and 6 . In addition, we have had Yorkshire Cricket Club, Leeds Rhinos Rugby and Leeds United Foundation deliver PE sessions as part of CPD for staff.	More children are given the opportunity to attend sporting events.
The Long-term plan is being followed	All staff are aware of and have been following the new PE intent and LTP. This has ensured a broad and balanced curriculum which provides staff and children with a basis and skill set which are transferable to a range of more traditional sports.	CPD has been delivered throughout the year
Increase the amount of time children are physically active during play and lunch	Promote Walk to School Week, Steps for success initiative (using fitbits each day with weekly winners), Mile a day booster.	Ensuring children have suitable equipment and facilities at Break and lunchtime to be more active

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	88.1%	<i>The additional booster lessons and free swimming holiday clubs at Scott hall really helped. Having a teacher in the pool, staff attending CPD sessions and staff confidence in teaching swimming was a real plus. Children that could not reach the National Curriculum requirements in Year 4 were targeted in Year 5 and 6.</i>
