Class teachers for the new academic year and staffing updates - 2026-27

Wow - what a scorcher of a week! As we navigate this current heatwave, school is incredibly busy with end-of-term activities and there is still such a lot to pack into the remaining weeks! First and foremost, a massive thank you to everyone who came out to support the children at our Sports Days this week. It was wonderful to see so many of you cheering from the side lines - your attendance, support and enthusiasm always mean the world to the children and staff alike!

There is a huge amount of transition and continuity work taking place across the school this half term as we prepare for the new academic year and I am pleased to share the class teachers for each year group for 2026-27 and to let you know which classes your children will be moving up to. (See table on the next page). You may however, notice a few familiar names missing from the list below as we say goodbye to Miss Earl and Miss Okraszewska.

Miss Okraweska is leaving us to take up a new role in a nursery, where she will be leading the space in a senior role. Miss Earl is also leaving us after working at Manor Wood for an incredible 18 years. Miss Earl is taking a break from education and making a permanent move back home, up North. We wish them both the very best in their next chapters.

We also have three new teachers joining the Manor Wood staffing team: Mrs Rogers, Mrs License, and Miss Barnes. Mrs License is currently on maternity leave and will officially join us after the October half-term. However, she is a part of all our upcoming transition activities and is looking forward to meeting her new class in July. Miss Barnes and Mrs Rogers will also be joining us for these transition sessions to spend time with the children. A familiar face, Miss Cremer, is due back from her maternity leave a little later in the Autumn Term and will be working alongside Miss Hemingway in Year Six.
